

Morgantown Municipal Green Team
Monday, January 7, 2019
5:30–7:00pm

Agenda

Introductions

Approval of December Minutes

Updates

1. Recycling Working Group:

- Kenny Holloway, the team's contact on recycling, may attend this meeting.
- Research and contacts over holidays on City proposal for 2020 WV recycling assistance grant (Pam Cubberly). Proposed meetings and next steps.

2. Climate Action Plan Working Group (Jim Kotcon)

- CO2 emission decrease by City since 2005? How much more needed? Status of data search.
- Status prioritized action list of City actions to achieve 2018 City resolution goal.
- Next CAP meeting in January; preparation for presentation at January COW.

3. LED Streetlight Working Group:

- **Action:** ASAP, team memo to Paul Brake proposing \$50K City budget to implement 2016 energy audit recommendations (Jim Kotcon, Joe Kanosky)
- **Action:** Continued research and contact building i.e., WVU Sustainability Office, Mainstreet Morgantown, WV Municipal League, and other WV cities/towns installing LEDs)
- **Action?** Should team send memo to Paul Brake to install LED rail-trail lights with newly won federal monies? City will make choice.
- Other items.

4. 2018 Green Team annual report (Karen Kalafat and Pam). Must review/revise/submit ASAP to Paul Brake. Jim will elaborate on the report at the January COW.

5. Attracting new active members and leadership. First steps? Team working group?

New Business

- 1. Report:** "Jobs, Jobs, Jobs: A Panel on Renewable Energy and Jobs" meeting last Thursday evening (Pam)
- 2. Idea:** Launch a "Repair Café" in Morgantown (see <https://repaircafe.org/en/start>) to eventually run itself (Pam).
- 3. Seeking:** Team member to represent team and report back on green space efforts in Morgantown?

Winter/Spring monthly meetings: Conference Room B at Morgantown Public Library; Mondays on February 4; March 4; April 1; and May 6. Please let Pam know if any of these dates has issues.
