Assistant City Manager's Report for City Council Meeting on September 3, 2019

New Business:

1. Set Hours for Halloween Trick-or-Treat

Halloween falls on a Thursday this year. The City Council has previously established the hours for Trick-or-Treating within the City. Last year, City Council set the hours from 6:00 pm -8:00 pm. Starting at 6:00 pm allows younger children to be able to Trick-or-Treat with some daylight and before bedtime, while extending the hours to 8:00 pm allows older children to Trick-or-Treat later/in the dark and also accommodates parents who may work later.

Staff recommends that City Council approve the set Trick-or-Treat hours.

Emily Muzzarelli, P.E.
Assistant City Manager, Morgantown, WV
