Office of Health Facilities and Licensure
ATTN: Jolynn Marra, Director
408 Leo Sullivan Way
Charleston, WV 25301

Dear Director Marra:

This letter is in response to the new syringe access law in WV. The Morgantown City Council voted in support of the Milan Puskar Health Right's LIGHT (Living In Good Health Together) Program at their November 2, 2021, Regular Council meeting. For six years, this program has been providing harm reduction and syringe access in Morgantown, WV. We support LIGHT because it helps reduce infectious diseases in our community and provides overdose reversal supplies that help reduce the number of overdose deaths. Because the program reaches a vulnerable population of people with substance use disorder, LIGHT staff and volunteers have the opportunity to establish rapport and help move people toward treatment.

Sincerely,

Jenny Selin
Mayor

RE: Purchase of Aerial Lift

Dear Mr. Haws:

The Morgantown Municipal Airport would like to request City Council approval of purchasing a Genie Aerial lift from United Rentals for the Airport using the Sourcewell cooperative purchasing agreement. The Sourcewell cooperative purchasing agreement has been used by the City of Morgantown many times. Sourcecell is an experienced purchasing organization for public and private sector procurement in the United States. Sourcewell competitively solicites contracts from suppliers and streamlines the purchasing process for State and local government entities.

The Morgantown Municipal Airport needs an aerial lift to service roadway and parking lot light systems, airfield light systems, maintain the Navigational beacon on top of the Air Traffic Control tower, and to gain access to the roof tops on City maintain buildings. Currently the airport rents the equipment from rental providers in the area.

The cost of the aerial lift through the Sourcewell cooperative purchasing program is \$44,740.60, which includes a one year warranty and quarterly inspections required by OSHA. The cost without using the Sourcewell purchasing program would be \$49,300.60. The ability to use the Sourcewell purchasing program will save the Morgantown Municipal Airport \$4,560.00. The funds for this project are budgeted in the Airport's capital budget.

The Morgantown Municipal Airport appreciates your consideration for the recommendation for award of contract for purchase to United Rentals via the Sourcewell cooperative purchasing program. Please feel free to contact me if you have any questions.

Sincerely,

Jonathon Vrabel
Airport Director
