

The City of Morgantown
Office of the City Engineer

Memorandum

To: Emily Muzzarelli, Interim City Manager
From: Damien Davis, City Engineer
Date: September 23, 2020
Re: Bid Results for 8th Street Sidewalk Project (Bid Call 2021-05)

Ms. Muzzarelli,

The bid opening for the 8th Street Sidewalk Project that was scheduled for Thursday, September 24th has been rescheduled to Monday, September 28th. It was rescheduled at the request of several contractors to give them more time to finalize their bid packages. The Engineering Department issued responses and clarifications to several questions asked by contractors wishing to bid on the project. As a result, several contractors needed additional time to adjust their submissions.

Due to the rescheduling of the bid opening, we will not have bid results in time for the Council packets to go out this week. We will provide the results and our recommendation first thing Tuesday, September 29th. We would like to keep this on Council's agenda as it is important to keep this project moving due to the deadline to expend the TIF funds by December 23rd. This project has a tight timeline and everyday counts.
